
Background

This is a straw poll of the Pine Trace at Bink's Forest home owners to make a recommendation to the HOA board. This is **not** an official communication of the HOA. The poll is being conducted by members of the community that are **not** on the HOA Board.

The tabulated results will be given to the HOA Board to aid in their decision-making process. Only the totals will be given to the HOA Board. No personally identifiable information will be transmitted to the HOA board.

The question of acceptable roof styles and materials has been raised before the HOA board. Please indicate which roof styles you consider acceptable in the Pine Trace at Bink's Forest community.

For each image, identify if you find it acceptable, unacceptable, or if you have no opinion.

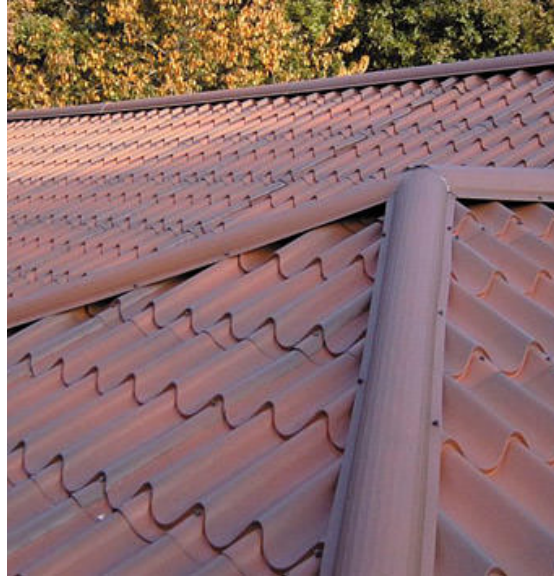

Disclaimers

This poll does not ask questions concerning roof color.

The images shown are for illustrative purposes only and are not meant to be exact specifications of the style. (Let's face it, the pictures were taken from the web and not on any house in Pine Trace.)
